

Memorandum of Understanding
Between
NORWEGIAN UNIVERSITY OF SCIENCE
AND TECHNOLOGY, NORWAY
and
BURAPHA UNIVERSITY, THAILAND

The Faculty of Medicine and Health Sciences, Norwegian University of Science and Technology (NTNU), Norway and Burapha University (BUU), Thailand (hereinafter referred to collectively as the "Parties") agree to enter into a formal collaborative agreement based on a foundation of trust for the mutual benefit and development of the Parties, and the promotion of international understanding and goodwill.

Whereas the Faculty of Medicine and Health Sciences, Norwegian University of Science and Technology (NTNU), and Burapha University (BUU) desire to engage in cooperative educational and research activities, for the mutual benefit of both parties, the parties have agreed upon the following;

ARTICLE 1: AREA OF COOPERATION

The purpose as mentioned above will be accomplished by undertaking the following activities:

- a. exchange of research materials, publications and information;
- b. development and operation of joint academic programs;
- c. support for distance learning courses;
- d. organization of joint research programs;
- e. exchange of students;
- f. exchange of academic staff;
- g. exchange of administrative and other non-academic staff;
- h. development of common curricula in areas of mutual interest;
- i. co-operation in the recruitment of students to our two institutions;
- j. co-operation in other academic and research activities.

In order to carry out the above mentioned activities, a detailed plan is to be formed into specific activities agreements based on the mutual agreement of the parties.

ARTICLE 2: NON-BINDING LEGAL AND FINANCIAL

This Memorandum of Understanding (MOU) is intended only to set forth the general understanding of the parties with respect to the subject matter herein, and does not intend to, contractually bind the parties, neither in term of legal nor financial obligation. The parties may enter into other agreements to achieve the purpose of this MOU.

The parties may sign an Intellectual Property Rights (IPR) document in order to secure rights when it comes to research results and publications.

Participating staff and students involved in any activities under this MOU must adhere to the law of the host countries and rules and regulations of the host institutions.

The parties undertake to process personal data only for purposes necessary to fulfill the exchange agreement. The parties undertake to implement and maintain appropriate technical and organisational security measures to safeguard against any unauthorised processing of personal data.

ARTICLE 3: VALIDITY, AMENDMENT AND TERMINATION

- 3.1 This MOU is valid from the date of last signature by person authorized to bind each of party, for period of five (5) years, and is renewal by the mutual written consent of the parties unless terminated sooner as provided herein.
- 3.2 This MOU may be modified and/or amended through mutual discussion and written consent of the parties. Any agreed modification and/or amendment made during the validity period of the MOU shall be made as annexes to this MOU.
- 3.3 Subject to 3.1, this MOU shall remain in effect until termination by either party. Termination shall be effected by giving the other party at least ninety (90) days prior written notice of its intention to terminate.
- 3.4 Termination shall be without penalty. If this MOU is terminated, neither party shall be liable to the other for any monetary or other losses which may result.
